

## StructuredGround™ RGRB19Y Busbar Kit, Tin-Plated, Copper Ground BarPK1

### RGRB19Y

The RGRB19Y Grounding Busbar provides a dedicated ground system to maintain system performance and protect network equipment when equipment is already installed. Optimized for installation on 19" racks that meet EIA-310-D. The thread-forming screws eliminate the need to manually remove paint from the rack and provides a complete system of matched components that can be easily selected to save cost and labor.

### Specifications

Sub Brand	StructuredGround™
Overall Width (In.)	1
Overall Width (mm)	25
Overall Depth (In.)	19.37
Overall Depth (mm)	491.5
Standards Met	EIA-310, UL listed
Includes	mounting hardware
Application	Telecom/Data Center
Product Type	Busbar Kit
